Action Camera - Helmet Mount

The Conceptronic Action Camera Helmet Mount allows the secure attachment of a camera to most standard bike helmets, providing a way of recording the action as you ride. The Helmet Mount can be used in conjunction with Conceptronic's Action Camera, or will fit any camera featuring a standard ¼" screw thread. The Helmet Mount takes only seconds to attach and detach, making for a convenient recording experience. An excellent way to record outdoor adventures from the saddle!
